DIARY NOTES

ADD/A (Colonel White)

31 January 1952

1. Talked with Colonel H. H. Kaesser of the Security Branch, G-2, on the possibility of G-2 vetting Army officers detailed to CIA. The conversation was strictly informal and "off the record" and I will not take it up officially until he talks to me about it again.

3. Approved the publication by O&M of a correspondence manual which has been concurred in by [REDACTED] and others.

4. I agreed with [REDACTED] that he would, in cooperation with Ed Saunders, produce a staff study on the credit union by the time Mr. Wolf returns on the 11th.

5. Bill Peel reports that he talked with [REDACTED], who has charge of the OSO Registry, and that he is happy about the personnel situation. However, he does hope that we will soon publish a T/O, inasmuch as he has several people whom he wants to promote and can't do so until the T/O is published.

6. Spent considerable time going over a proposed regulation which [REDACTED] and [REDACTED] are drafting on the subject of "Attendance of CIA Personnel at the Department of Defense Colleges and Schools."

7. Concurred orally in a memorandum which [REDACTED] read to me directing the AD/Communications to produce a staff study on the cable and pouch situation. Mr. [REDACTED] says that DD/P also concurs.

9. Directed O&M to publish the T/O which [REDACTED] has recommended for the cover division of SO-PC. It involves a net increase of 15 people above the present T/O. It is understood that this will not affect the over-all DD/P personnel ceiling if the Director approves.

10. Talked with Ed Saunders and Bill Peel again about the procedure for process-

ing T/O's. I am reasonably sure that we will not have any more unnecessary details in processing these requests once the personnel ceiling situation is cleared up.

11. I signed a letter to [REDACTED] agreeing to the transfer of not to exceed \$5,000 to make a study on the new building.
